**It's a  
close  
wave**

**THIS** is the moment a British powerboat racer was catapulted into the sea at nearly 90mph. Shelley Jory-Leigh, 39, is recovering from severe bruising at her home in Southampton after being thrown into the ocean with her co-driver Patrick Huybrechts during a race in Valletta, Malta, on Sunday. She said: "Unfortunately it was just a very unusual wave."
